

NSW Restrictions

In accordance with the NSW government guidelines, NSW showrooms will open from Monday 11th October with temporary restrictions in place. All visits will be by appointment only. All customers will be required to be fully vaccinated, to check in via the QR code system in-store and mask wearing for customers and staff is mandatory.

Customers that cannot meet the NSW government guidelines are still able to view products online and if you have any queries regarding products or an existing order, please contact your local site to find out more.

All customers will be required to:

- Be fully vaccinated and must show proof of vaccination prior to entry (by providing either a COVID-19 Digital Certificate or immunisation history statement and an identity document such as a driver's licence if requested)
- Check in via the QR code system in-store
- Wear an appropriate face mask at all times whilst on site

All customers across NSW will be required to be fully vaccinated and to check in via the QR code system in-store. For more information on vaccinations, face masks and QR codes, please refer to the [NSW Government website](#).
