# NEW ALUMINIUM ELITE RANGE

- ✓ Highly durable and effective in exposed weather situations
- ✓ Works with timber or aluminium jambs
- ✓ For ultimate weather protection match with the Weatherguard Timber Frame
- ✓ Architecturally designed and developed with five design options
- ✓ Choose from six beautiful powder coated finishes ready to install
- ✓ Low maintenance

The Elite Aluminium Range is sleek, durable and effective in any weather-exposed situations. As the result of innovation and industry development, these architecturally designed doors work perfectly with timber or aluminium jambs and are beautifully powder coated for low maintenance.
